

## VESTRY MINUTES SUMMARY FOR JANUARY, 2015

At its meeting of January 12, 2015, the vestry heard reports from the wardens, treasurer and rector. Most of the meeting was devoted to a review and approval of the 2015 budget, and to discussions about the annual meeting, where the parish would have an opportunity to review the report and provide feedback on the three options that are before us concerning Harris House – leaving it as is, renovating the existing structure, or razing it and rebuilding. Although such a decision is the responsibility of the vestry, all members recognized the importance of getting as clear a sense of the will of the parish as possible. All hoped that the Annual Meeting would provide that clarity before the vestry commits to a particular path. Depending on the feedback from the annual meeting, a second meeting in early March was proposed as an option.
