Policy: Use of Alcoholic Beverages on Church Property

The following guidelines are given for use of alcoholic beverages on Christ Church property:

1. Permission to serve alcoholic beverages on church property must be obtained from the Executive Committee of the Vestry. The Executive Committee will only consider granting permission for parish-sponsored events and for private events in which a pledging member of Christ Church is responsible.
2. Requests for the use of alcohol must be submitted in writing to the Rector or Wardens *in advance* of the event.
3. The Executive Committee will notify the full Vestry of all alcohol-approved events.
4. Any beverage which contains alcohol must be clearly labeled as such.
5. Whenever alcohol is served in any form, non-alcoholic alternatives must be offered.
6. All applicable state and local laws, including those governing the sale and serving of alcoholic beverages to minors, must be observed.
